FOOT & ANKLE SPECIALISTS

## FOOT & ANKLE SPECIALISTS

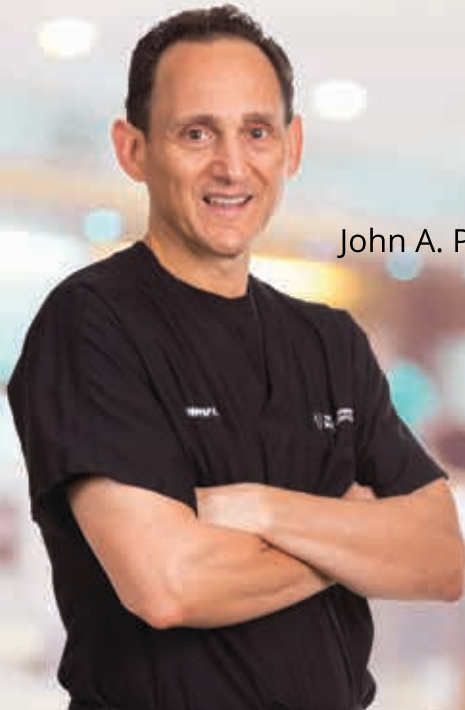

Jewett Orthopaedic Clinic is home to Central Florida's only board-certified and fellowship-trained foot and ankle surgeons. Our specially trained team provides you with the experts who are experienced and ready to assist you.

## LEADERS IN CARE

Jewett's Foot and Ankle Team have been recognized internationally as a pioneer and leader in orthopaedic care for over 80 years. We specialize in helping our patients maximize function and mobility, caring for their bones, joints, tendons, nerves, and ligaments of the foot and ankle.

**The orthopaedist's areas of expertise include the knowledge and techniques necessary to treat the following:**

- Work related foot injuries
- Fractures
- Dislocations
- Sprains
- Torn Ligaments
- Joint destruction requiring joint replacement
- Sports injuries
- Arthritis
- Loss of joint and muscle function
- Bunions
- Hammertoes
- Flat feet
- Neuroma
- Tarsal Tunnel Syndrome

John A. Papa , MD

Steven C. Choung, MD

## Recovery

Jewett Orthopaedic Clinic is committed to getting you back on your feet quicker. We provide the most comprehensive range of rehabilitation and physical medicine services available in Central Florida. After your surgery, your physician and physical therapist will go over a plan to restore your function and mobility.
